

COMP 2121 – Quiz 3

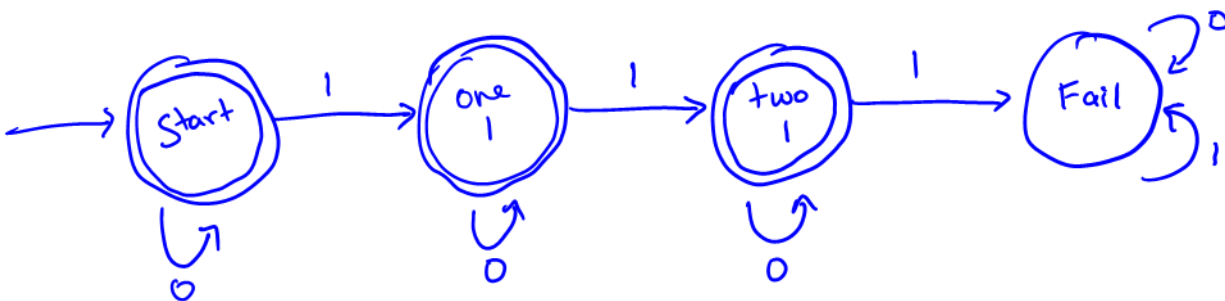

Time: 20 min.

Possible marks: 5

Name:

Student #:

- a) (2 marks) Design (draw) a finite state machine with the input alphabet $\{0, 1\}$ that accepts the set of strings that **contain at most two ones**. For full marks, your FSM must have the minimum number of states and no missing details.

2. (3 marks) Design (draw) a finite state machine with the input alphabet $\{0, 1\}$ that accepts the set of strings that **contain 00 and start with 110**. For full marks, your FSM must have the minimum number of states and no missing details.
