

SKILL ACTION VERBS

Use these past tense action verbs (which are also skills) to begin your **accomplishment statements**. These are powerful words to use on your resume when describing your relevant skills and experiences.

Examples:

- *Facilitated groups of 5 – 15 first year students in activities and discussion which helped them in their transition to university.*
- *Organized a fashion show fundraiser which raised \$1200 for the Canadian Breast Cancer Foundation and increased student awareness.*
