Introduction

Communiti is an online, real-time volunteering website where anyone can easily find volunteers to assist them in their activities. Users will also be able to help with volunteering activities within their area easily. Although primarily tailored to BCIT students, anyone can sign up and start finding or making *opportunities*. Our main goal is to help the community grow; Communiti enables users to find and make strong connections in their community.

The following instructions will show you how to take advantage of Communiti's many features and tools in order to get connected to your own communiti.

To start, visit [Communiti-4ea70.web.app](https://communiti-4ea70.web.app) in your preferred web browser and download and install the app.

Note: The included graphics have been taken for mobile devices. The desktop version will appear slightly different, but the steps will be largely similar.

Warning: The Communiti team is not responsible for any interactions and experiences you may have with other users.

Prerequisites

To be able to follow the instructions in this manual successfully, you will need the following:

- MacOS, WindowOS or any smartphone
- Stable internet connection
- Browser capable of visiting Communiti.

Typographic Conventions

The following instructions will use these typographic conventions to assist the reading.

Convention	Example	Description
bold	Save	Indicates the name of a clickable button on the application.
"quotations"	"Request Title"	Indicates the name of a textbox or section of a page.
<i>italics</i>	<i>opportunity</i>	This word's definition exists in the glossary.

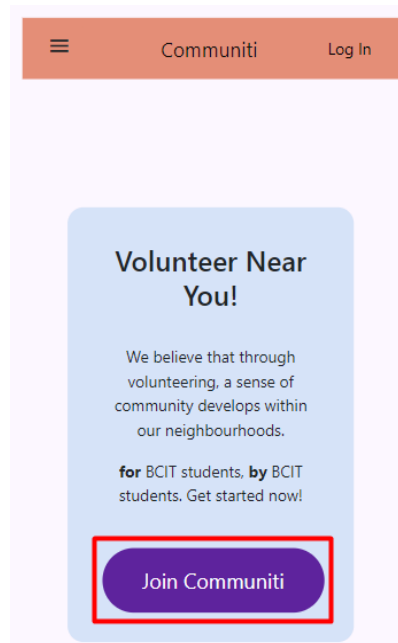

Instructions

Task 1: Creating a new account

These instructions will cover how to set up your Communiti account. To access the full functionality of Communiti, some of your basic information is required.

The first time you open the app, you will see the welcome page to start the creation of your account.

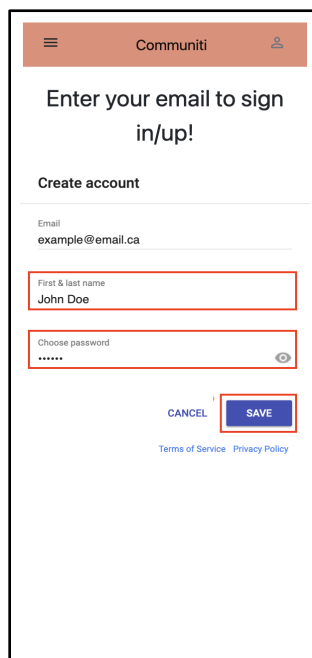

1. Click **Join Communiti**.

2. Enter your email and then click **Next**.

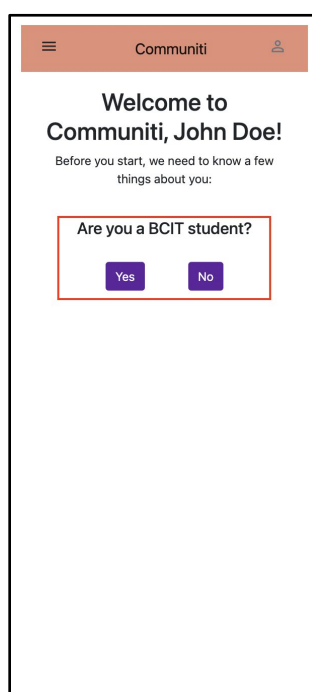

Note: If you already have an account with Communiti, the application will prompt you for your password instead of the following steps. If necessary, the troubleshooting guide contains the steps to recover your password.

3. Enter your first name, last name, and desired password and then click **Save**.

The screenshot shows the Communiti app's sign-up interface. At the top, there's a header with a menu icon, the word 'Communiti', and a user icon. Below the header, the text 'Enter your email to sign in/up!' is displayed. Underneath, there's a section titled 'Create account'. It contains an email input field with the placeholder 'example@email.ca'. Below the email field is a red-bordered box containing two sub-fields: 'First & last name' with the text 'John Doe', and 'Choose password' with a masked password '*****' and a toggle icon. At the bottom of this box are two buttons: 'CANCEL' and 'SAVE'. Below the 'SAVE' button are links for 'Terms of Service' and 'Privacy Policy'.

4. Select your student status by selecting **Yes** or **No**.

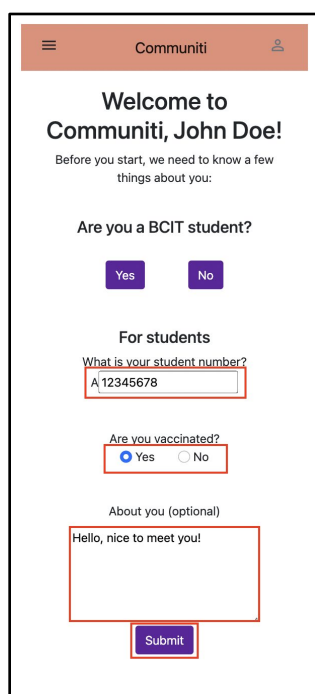

The screenshot shows the Communiti app's welcome screen. At the top, there's a header with a menu icon, the word 'Communiti', and a user icon. Below the header, the text 'Welcome to Communiti, John Doe!' is displayed. Underneath, the text 'Before you start, we need to know a few things about you:' is shown. Below this text is a red-bordered box containing the question 'Are you a BCIT student?' and two buttons: 'Yes' and 'No'.

5. Fill in the form and press **Submit** to create your Communiti account.

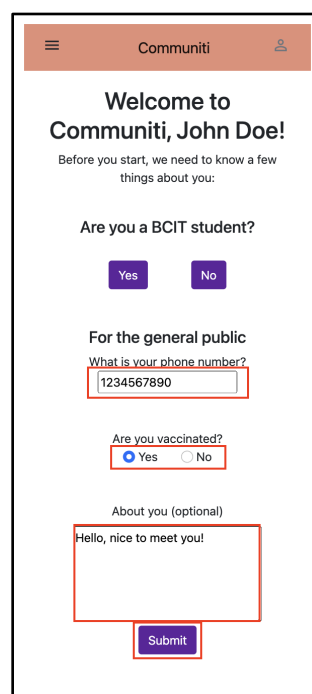

Note: For students, the student number needs to be 8 digits long and for non-students, the phone number needs to be 10 digits long.

Note: You may change your description later.

Warning: You cannot change the student number or phone number after you click **Submit**. If you do need to change this information, contact communiti_admin@communiti.ca

Task 2: Making a new volunteer request

After creating an account on Communiti and logging in, you may make volunteering *requests* on the website. Making a *request* is quick and easy, allowing you to display it for everyone to see.

To start, log in to your Communiti account. Refer to Task 1 if you need to create an account.

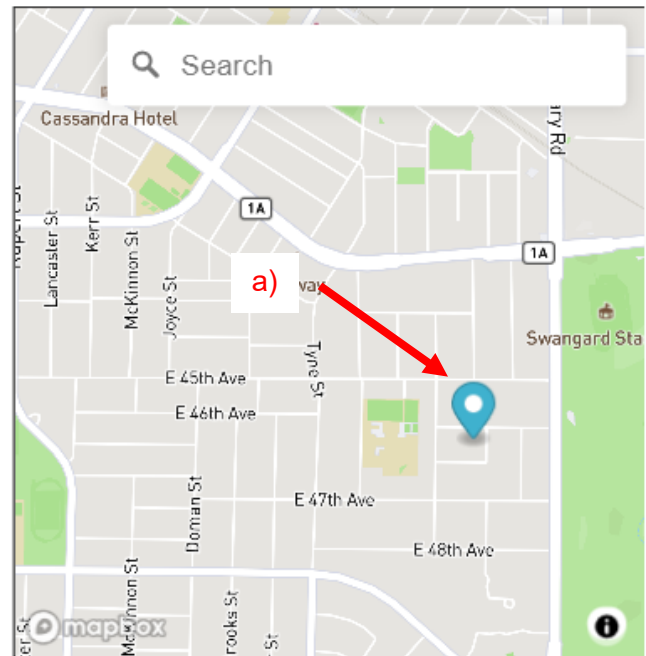

1. Click **Make Request** or the  **plus icon**.

Note: If you are missing any details in your form, you will not be able to submit your request.

2. Fill in the following form:

- a) Click on the map to select your *request* location
- b) Type in the name of your request under “Request Title”
- c) Click on the box under “Number of Volunteers” and select your desired number of volunteers
- d) Select your job category under “Category”
- e) Type in the details under “Request Description”

Task 3: Browsing/Accepting Volunteering Requests

Other users in Communiti have made volunteering *requests* that you can participate in. Finding and accepting one is a straightforward process. There are 2 ways to accomplish this task.

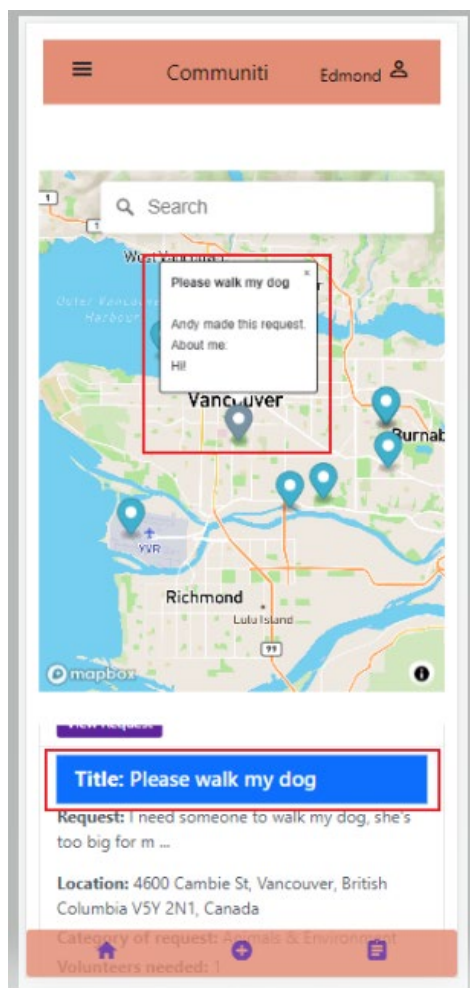

Starting from the main page

1. Scroll through the map for pins in your ideal location (Note: Alternatively, you can find a job in the list below. Looking at the map makes it easier to visualize potential jobs in the area)

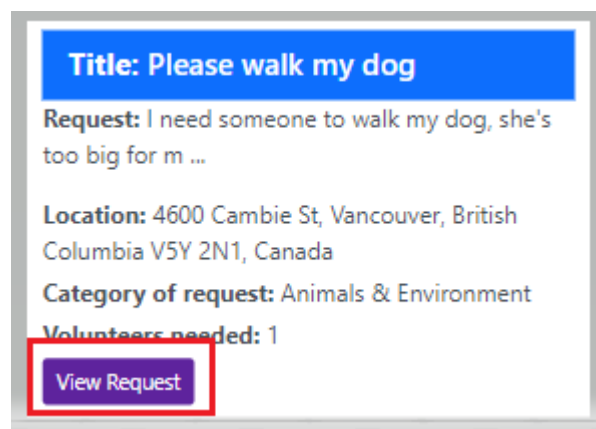

2. Click on the pin. This will bring up a general description of the *request* along with the *requestor*.

3. Scroll down the *request* list at the bottom of the page to find a *request* highlighted in blue.

4. Click on **View Request**.

5. Verify *request* details. The address, full description of the task, and the name of the *requestor* will appear on the screen.

The screenshot shows a volunteer request form on a light blue background. At the top, the title 'Please walk my dog' is in bold, followed by the category 'Animals & Environment'. Below this, a white box contains the address '4600 Cambie St, Vancouver, British Columbia V5Y 2N1, Canada' and a 'Directions' link. Underneath, it states 'Number of Volunteers Needed: 1'. A text box contains the description 'I need someone to walk my dog, she's too big for me to handle now'. Below the text box are two buttons: 'Save' and 'Contact Now'. At the bottom, a box labeled 'Requested By: Andy' shows 'Vaccinated: true' and 'About Me: Hi!'.

Note: If you're interested in the *request* but still haven't decided to take the opportunity, you may save the *request* for later viewing instead.

6. Click on **Contact now**.

This screenshot is identical to the previous one, but with a red rectangular box highlighting the 'Contact Now' button, indicating the next step in the process.

Note: Adding more information about yourself is a great way to make a good first impression in your potential *opportunity*.

7. Complete the form and click **Submit** to send the form to the *requestor*.
